

OAK LYNX OILED

Lynx Oiled celebrates oak at its most expressive. Vivid knots and lively color shifts give each plank its own personality. Deep brushing draws out the grain, while a 4-sided micro-bevel frames every board with subtle shadow lines. Larger knot holes are carefully repaired by hand using wooden plugs and filler — small signatures of craftsmanship. The natural oil finish sinks into the wood to enrich tone and depth, leaving a soft, low-sheen surface.

DETAILED DESCRIPTION

All naturally occurring wood color variations are allowed, ranging from light to dark brown tones. Sapwood may be present. The product features very large sound and black knots, as well as natural cracks. Knot holes and cracks are repaired with a dark filler, and larger openings may be plugged with knot inserts.

Oil: This floor should be oiled immediately after installation.

Colour change: Some muting of colour variation to medium, straw brown.

Packages may contain start and stop boards.
